

**Regulation Number 02/PPGCR/2016 of May 11, 2016.**

It provides for the selection process for master's applicants in *Programa de Pós-Graduação em Ciências da Reabilitação (PPG-CR)*.

The Delegated Board of PPG-CR of the *Universidade Federal de Santa Catarina (UFSC)*, in the use of its attributions, establishes:

**Art. 1** - The student body of PPG-CR will consist of graduated students with a diploma officially recognized by the Ministry of Education (bachelor's degree) in areas related to Rehabilitation Sciences.

*Single Paragraph:* Foreign applicants may request recognition of the diploma for entering the master's course, held by a committee composed of three professors of PPG-CR.

**Art. 2** – The applicants for the master's degree should forward registration requests to the Program Coordination within the deadlines set by the selection public notice, with the required documents.

§ 1 - The selection process for the master's course will be annual, with the selection public notice published every year, establishing the number of vacancies offered, registration period, necessary documents, steps and selection procedures.

§ 2 - PPG-CR Coordination will designate Committees to carry out the applicants' selection.

**Art. 3** - PPG-CR Board must approve the results of the selection processes.

§ 1 - Applicants selected for the master's degree will receive an email and must register within the deadlines set out in the selection public notice.

**Art. 4** – The Delegated Board of the Program will resolve omitted cases.
